

Advanced Advocacy Club Presentation

Effective Evidence Management

**September 28, 2021
4:30-6:30 PM EDT on Zoom**

Time is valuable in a legal practice. In this 2.0-hour online session, Advocacy Club members Katie Black and Sarah Lag of [Business | Black and Associates | Ontario \(black-law.ca\)](https://www.black-law.ca) will present immediately actionable techniques to streamline complex evidence into strategic, time-saving formats.

Participants will learn techniques to gather, sort and manage all the evidence from client intake all the way to trial. Learn how to avoid rehashing evidence and prepare your witnesses effectively.

In small group sessions, participants will practice their new skills by interviewing the client and capturing the evidence. Participants will then learn how to tailor these basic techniques to suit your personal strengths. The session wraps up with adapting these techniques for other parts of litigation.

We will group participants by year of Call to optimize the experience. Articling students and paralegals are welcome.

For more information and to reserve your space, contact: Sarah Lag at sarah@black-law.ca

Cost: \$60 plus HST, payable here: [Effective Evidence Management \(advocacyclub.ca\)](https://www.advocacyclub.ca)

CPD: The session counts as 2.0 substantive hours.
